## Vision And Mission

### Vision

Sanmati envisions a robust, vibrant and holistic education that will engender excellence in every sphere of human endeavour. Sanmati is committed to provide education that is contemporary, contextual, relevant, value based, stress free and joyful. The common factors running across all the initiatives of Sanmati are to shape, spin and mould the entire spectrum of school education learner friendly and futuristic.

### Mission

The thrust of our mission lies in promoting and relating education with all the values-moral, religious, social, logical, cultural and economic. When the Sanmatians step out of their campus they are able, confident, empowered, independent and humane. We aspire to provide quality and relevant education to our students at affordable and subsidized fee structures. Our mission transcends the frontiers of knowledge and promotes its dissemination seamlessly accessible to all.
