PRINCIPAL'S MESSAGE

Warm Greetings !!

This session faced an unexpected angle of pandemic strike & gradually came back to the new normal. I heartily thank each & everyone for the strength and support to school. Your belief in school motivated us to do more & more for our students. Your continuous support resulted in a smooth programming of online teaching & did not let our students suffer in any aspect. You all proved that Tough time never lasts but Tough people do....

Whole year we all missed the liveliness of students in school premises.

Waiting anxiously to see you all soon in school again in Session 2021-22...

Warm Regards

Mrs. Pinki Joshi

Celebration fervour overpowered the pandemic effect

Sanmatians became the talk of the town with the Virtual Celebration of Annual Day even in the pandemic situation. Where all the students were missing their school, Sanmati School took a step ahead to portray the talent of students through a virtual platform. The school premiered the Annual Day Celebration & Award Ceremony on 25th December 2020 at 5:00 pm through a you tube link. The school organised the celebration on the theme of Health, Happiness & Humanity. The program included the annual award ceremony along with various presentations like fashion show, dances, skit etc. Students paid tribute to the corona warriors through various ways.

The President of school Mr. Sunil Shah & the Principal Mrs. Pinki Joshi encouraged & appreciated the innovative efforts of all.
