*Respected Teachers ,*

*We would like to appreciate the efforts taken by the teachers of the school. We all know it's not possible for children to attend the classes at this time which could result in loss of their studies. But we are really happy by the steps taken by your school to continue providing online classes so that even in this time children can still learn new things. Even our son is taking lot of interest in assignments given and putting a lot of efforts to complete it. It was a very enlightening experience for the kids since the video was made after taking in consideration that it is to educate the kids so extra measures were taken to make it more easy and simple for them to understand and learn. So thank you for the efforts taken by all in encouraging children to learn new things even while staying at home and taking measures for their bright future.*

*Parents of Yatharth Silawat of Nursery*

*We were initially worried as it was the first schooling experience of our son but to our surprise and relief, he enjoyed too much in the online classes of school. His teachers were very friendly and patient while teaching. He used to tell things about his teachers and activities everyday after school. Thank you to team Sanmati for making our son's transition so easy.*

*Parents of Adanya Pratap Singh of KG I*

*Even before our son's birth, we had decided his school to be SANMATI as we were highly impressed by the way our sister's sons were taken care here. The love and warmth which teachers gave and more importantly they concentrated on every child's growth. Our personal experience during lockdown was amazing. Being the mother and a professor too, I know how many difficulties the teachers must have gone through in teaching online in lockdown...But Sanmati team never failed our hopes...we saw our child's growth, confidence, mental health improving day by day...He is eagerly waiting now to come to school. Thank you for proving our decision to be absolutely right for connecting with SANMATI.*

*Parents of Sanidhya Bhand of KG II*

*Respected Teachers*

*With your guidance, our son Devyansh and daughter Virika have developed into confident and capable children. Thank you for being such an important part in our children's development. Your expertise in teaching has put our minds at ease. We are very thankful to you for starting the online classes even in pandemic situations. Online classes provided a learning environment to the children. They were able to keep themselves involved in studies as well as activities which helped in their growth in proper manner. We are so grateful to have our children in Sanmati.*

Dear Teachers

We are very lucky to be a part of Sanmati Family. We are very happy to see the teachers put in lot of efforts not only on offline education but also giving their best in online mode of education also. During pandemic we were worried about the education of our child however all the teachers kept the learning on roll like it is normal school. After opening of the school also, my child enjoyed going to school. He always reached home very happily. It is really very satisfactory to see our child in Sanmati. Thanks to all the Teachers once again for their efforts.

**Parents of Vandit Gandhi Class II**

After a long time period school started and once again Sanmati School did a great job in taking care of our children. We were actually afraid to send our children to school offline because of the pandemic but the hospitality was up to the mark and each child was taken good care.

**Parents of Kartik Nawale Class III**

We would like to express our sincere gratitude to all the teachers for putting great efforts to make our children study online. In very challenging situation during the pandemic they gave their best. It was very difficult to learn with online platform for small children, but from the collective efforts of all it was managed smartly. All the activities were managed virtually was tremendous job. Thanks to all teaching and non teaching staff of Sanmati School.

**Parents of Sarthak Jain Class III**

We express our sincere gratitude for organizing the online classes for our children during the lockdown crisis time. We deeply appreciate the way teachers been working hard to impart education to the kids through the digital medium. We understand it is a new thing for many and is not so easy thing as it looks like. We have been noticing teachers dedication to constantly support the students in making this whole process beneficial for them. We thank you all for that. We wish you continue success in all your future endeavours. All the best .

**Parents of Rudra Pratap Singh Class III**

Our child is improving in studies and behaviour. We are very thankful to all the teachers. The school has been successful in striking a balance between academic and co-curricular activities even in pandemic situation also. We are very satisfied.

**Parents of Nikar Tembure Class III**

Really very thankful to all teachers n school staff for giving so many services at so difficult time of COVID. We know u have faced lot of problems during online classes but you all have done a very good job.

*We are very much grateful to the teachers of Sanmati because of their consistent hard work and patience throughout the pandemic period. The online teaching module was new to both the teachers and the children, yet the constant support and encouragement offered by the school has been commendable. I have seen the teachers taking classes from the school in midst of peak of the pandemic which is highly brave and appreciable. Moreover, the tough times were not able to stop the online activities and competitions throughout the period. Children also actively participated with full enthusiasm. I would like to take this opportunity to sincerely thank and appreciate the efforts put in by the teachers of the school which allowed the children to continue with their studies even in the odd times.*

*Sanmati School is one of the best schools. The teachers are also very good and supportive. The reports of performance and attendance of our children were sent on a monthly basis and this helped us to understand - how our child is progressing every month. I would also like to thank the teachers for sending the daily worksheets, taking doubt solving session and giving feedback.*

*Parents of Chittraksh Tejwani Class IV*

*Thank you for your hard work in supporting my son as he has remarkably developed. With your guidance, my son has developed into a confident and capable child. He is happily going to school and enjoys his time there, however he misses the Sanmati food a lot.*

*Parents of Naitik Vishwakarma Class IV*

*I would like to thank all the teachers for teaching children so well for this academic session in such tough times and situation. Things weren't totally smooth however school staff was cooperative and studies of children weren't affected. Children were made to do creative things and this eased circumstances for them a bit. Overall efforts of teachers were commendable. Thank you for all the efforts and helping our kids in growing and exploring overall !!*

*Parents of Shashwat Maurya Class V*

*I want to thank all the teachers of Sanmati School for the hard work they have put in for the online sessions, explaining everything in a detailed manner each day. Even the assignments are easy to understand for the children. A big thank you to all of them.*

*In the last two years due to the Corona pandemic, children had to study online. I am overwhelmed by the way the teachers taught the children with full dedication and got their syllabus completed on time. Be it online class, homework, tests, exams, or any other important thing, the teachers got the children to complete all the work on time. Not only this, teachers and children had a lot of fun in activities other than studies also. On the other hand, all the facilities were given by the school regarding the fees so that we can deposit the fees as per our convenience, for this I would like to thank the school management too. I hope that from April the school will run to its full potential and the children will once again be able to meet their peers and their teachers face to face.*

*Parents of Avi Pandit Class VIII*

*It is really appreciable the way teachers of Sanmati are giving their best to the students specially in the tough days of Corona period. Every teacher is taking great initiative to make the lessons interesting and meaningful. Children are able to utilize their time in a very positive and fruitful manner. With the help of various new technologies like voice messages, interactive videos, audio files the way of explanations etc have made the concepts very ease and clear. The best thing is the way teachers motivate and appreciate the responses of the students is highly encouraging. We are feeling blessed that our children's having such a wonderful and knowledgeable team of dedicated teachers. Our special thanks to all the teachers for motivating our kids and really all of you are the spine of our kids growth, their knowledge gaining and success. All the best for your future endeavours.*

*Parents of Aarav & Anahita Puri Class VII*

*We are glad to see how teachers at Sanmati have made the learning continue during these difficult times, by arranging online classes. With the class teacher's guidance and continuous encouragement, our son has developed into a confident and capable child. Our son took lot of interest in the presentations assigned and this has helped him in honing his leadership skills. Thank you once again for the efforts taken by all teachers in encouraging children to learn new things even while staying at home and taking measures for their bright future.*

*Parents of Pradyumna Kathed Class VII*

*I am very happy to see that my child is learning a lot of things in this online classes. The teachers are very nice. When these online classes started we were worried how small children will cope up as it is a new concept but today I want thank you to connect our children to e-learning and giving best study material to us and I also appreciate students for other activities like online festival celebration, role play, making presentation etc .I appreciate efforts. *We are really thankful to teachers for breaking the barriers and completing two sessions in a row of our children's education. It was never meant to be easy still that extra effort to manage the online sessions without physical presence was amazing. You all did so many interactive activities to keep students connected and engaged even in such tremendous pressure.. You listened to our (parents) continuous cribbing still never got tired of lending that extra hand to always be beyond our expectations. A heartfelt thank u for all teachers today and always.... Sanmati teachers rocks.*

*2021 has been year of unprecedented and uncertainty, COVID has impacted everyone's life drastically. We moved from Pune to Indore to support our family during this tough pandemic time. We got my son's admission in Sanmati H.S. School. It has been a great experience and my kid has really shown good progress, he enjoyed his online classes and apart from learning, he was able to gel with the teachers and was able to make good friends. I would like to take thi opportunity to thank all the teachers for the efforts they are putting together to teach our children. Preparing lessons, making kids learn through, all this through online/offline classes learning. I really appreciate the fact that focus was not just on finishing the syllabus but also ensuring that each kid is learning properly. Apart from the co-curricular, other activities, external sessions have also helped kids overall. Appropriate communication, notice, information about online/offline classes, change in rules from State Education Dept. were done through different channels. School has been really doing a great job providing support to parent/kids and teachers. All teachers have been always supportive, approachable and have helped/guided the kids in a perfect way. A Big Thanks to all for helping my child learn today and everyday.*

*This session 2021-22 was not an usual session. The students had to adapt themselves in the changing environment, it was not that easy for them but the school's management and the faculties helped the students in excelling the session. Even in the dynamic environment the school ensured overall development of children and organised various types of competition that helped them to grow and prepare themselves for the competitive world that they are going to face. Really happy with the service of school.*

We heartily appreciate the staff members of Sanmati who have been immensely supportive and helpful since the beginning of academic session. During the pandemic period the whole team was very cooperative. All teachers encouraged the students for academic development as well as participation in co-curricular activities. We heartily appreciate the efforts put in by the whole team for all children.

*Parents of Harshika Meena Class XII*

We are very satisfied with our ward's performance and all the initiatives taken by school and teachers for boosting his performance. We have been observing that school is continuously making efforts to help their students to achieve the excellence. School teachers are playing a vital role in helping our daughter to achieve her goal. We are very thankful to Sanmati.

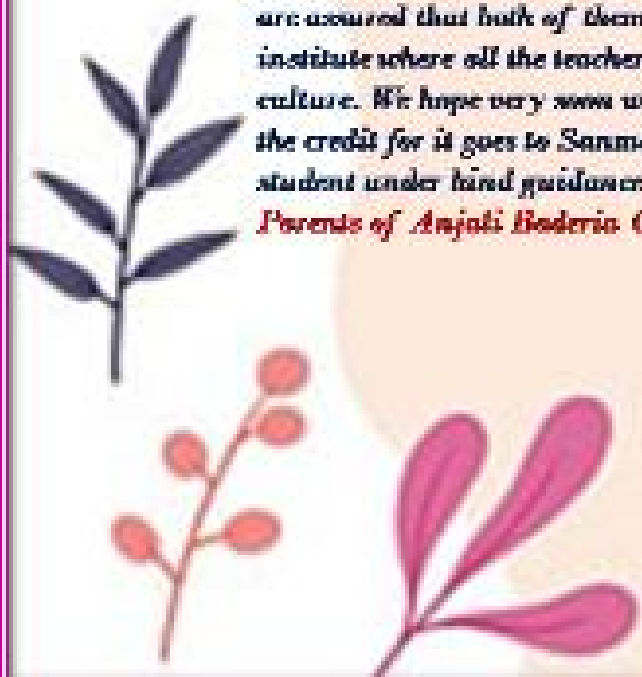

*Parents of Khushi Sharma Class X*

After getting admission in Sanmati school, we found our son turn more confident. Sanmati school has improved his overall personality. All teachers are very supportive. We will always be thankful to the teachers for polishing my son's skills.

*Parents of Aarjav Jain Class X*

We are glad to mention that our elder daughter is an Ex. Sanskritian and now is showing excellent performance in her college. The younger daughter is in class IX. We are assured that both of them will have bright future because they grew up in this institute where all the teachers play the role of parents and inculcate education with culture. We hope very soon we will write again the success stories of our daughters and the credit for it goes to Sanmati. Thanks for providing excellent education for each student under kind guidance.
