I Topic - Practice of SAI Khelo India Fitness Test during summer at home.

Aim- To understand and promote healthy and fit lifestyle.

Objectives-

- To build cardio vascular endurance,
- To improve muscular endurance,
- To develop strength,
- To improve flexibility,
- To increase Neuromuscular coordination,
- To maintain healthy body weight.

Dear Athletes/Players,

Summer is the best time to storm your brain as there is no pressure on you and this is the best leisure time for you.

So keeping this in mind, I am sharing with you an assignment on SAI Khelo India Fitness Test.

For this assignment first you need to read the PDF file of SAI Khelo India Fitness Test very carefully and after that make a score card of your performance, in which on day one you need to perform all the tests and feed the score whatever you scored of different tests. Then practice of all the tests on regular basis and update your score card every week(for 4 weeks).

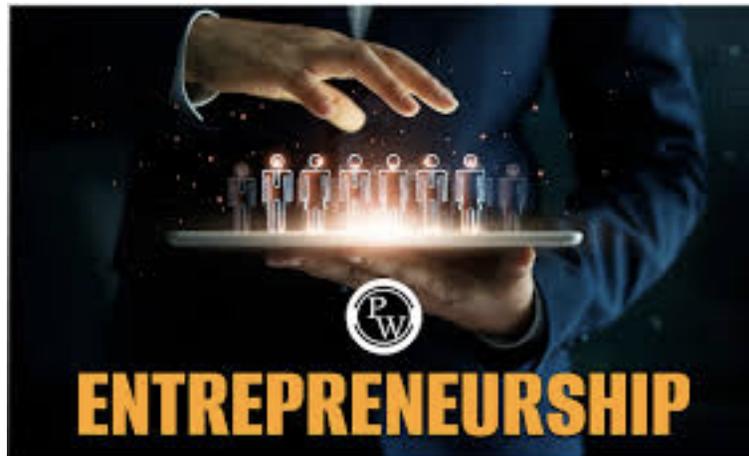

So in the end to the summer you will reach at your final score in your score card.

Make a comparison of your progress and right a short note of your assignment journey and submit it in June month.

Regards.

Precautionary measures -

- Avoid running on danger areas like roof, traffic road etc.
- Avoid exercise if not well or injured.
- Avoid exercise after meal, make 2.5 to 3 hours of gape after heavy meal(lunch).
- Practice with proper technique as suggested in PDF file.
- Exercise progression should be gradual.
- Avoid over exertion during practice.
- Have a healthy meal in your diet.

This assignment is designed to ignite your entrepreneurial spirit, encourage creative thinking, and provide you with hands-on experience in the world of entrepreneurship. Over the summer break, you will have the opportunity to explore various aspects of entrepreneurship, conduct market research, develop business ideas, and create a comprehensive business plan.

Assignment Overview:

1. Entrepreneurial Mindset Development:

- Read inspiring entrepreneurial stories or biographies of successful entrepreneurs and reflect on the key traits, skills, and attitudes that contributed to their success.
- Write a reflective essay discussing how you can cultivate these entrepreneurial qualities within yourself.

2. Market Research:

- Choose an industry or sector of interest to you and conduct thorough market research. Gather data on market size, trends, competition, target audience, and potential opportunities.
- Present your findings in a detailed market research report, including charts, graphs, and analysis.

3. Business Idea Generation:

- Brainstorm potential business ideas based on your interests, skills, market research, and identified opportunities.
- Select one promising business idea and develop it further, considering its feasibility, uniqueness, and potential for success.

4. Business Plan Development:

- Create a comprehensive business plan for your chosen business idea. Your business plan should include:

- Executive Summary
 - Business Description
 - Market Analysis
 - Marketing and Sales Strategy
 - Operations and Management Plan
 - Financial Plan
 - Conclusion
- Use templates or software tools to structure your business plan effectively.

5. Presentation:

- Prepare a professional presentation summarizing your market research, business idea, and business plan.
- Practice your presentation skills and deliver a compelling pitch to your classmates or family members.

Evaluation Criteria:

Your assignments will be evaluated based on the following criteria:

1. Depth of research and analysis.
2. Creativity and feasibility of business ideas.
3. Clarity and coherence of the business plan.
4. Professionalism and effectiveness of presentation skills.
5. Adherence to submission guidelines and deadlines.

Remember, this assignment is not just about completing tasks but about actively engaging in the entrepreneurial process, thinking critically, and showcasing your potential as future entrepreneurs. Use this opportunity to explore, innovate, and demonstrate your passion for entrepreneurship.
